Interactive Session on “Target Civil services” By IAS Faculty

Department of Civil Engineering, Giani Zail Singh Campus College of Engineering & Technology, Maharaja Ranjit Singh Punjab Technical University Bathinda has an interactive session on “Target Civil Services ” on 21st October 2016. Today’s session was briefed by Mr. Maninder Singh who is an IAS Faculty. Mr. Maninder who have qualified IAS/PCS (Mains) twice and is an alumnus of Thapar University ,Patiala. He has put light on civil services as a career option .He discussed the various tenets of IAS exam ie what, when and how to prepare for exam..He talked about the scope of the Civil services as a career option in one’s life and how one should prepare for it. He talked about various dimensions of civil services as a career for instance the diversified nature, the authority associated and the public reputation it attaches to. He also motivated that alongwith civil services preparation student can simultaneously prepare for various government jobs. Professor Manjeet Bansal, Head of the Civil Engineering department, appreciated the efforts of the speaker and said all these sessions are very necessary for the students apart from the basic knowledge of education. This was a good session, and we will keep on doing these kind of sessions in future as well. The students of 7th semester of Department of Civil Engineering attended the session. Apart from students, the faculty members of the department also actively took part in the facilitation of this session. Professor Mohan Paul Singh Ishar, Vice Chancellor of Maharaja Ranjit Singh Punjab Technical University, Bathinda lauded the efforts by the Department of Civil Engineering for arranging such a knowledgeable session for the students.
