Joint Secretary Sports apprised that the Sports Department had already adopted a comprehensive policy regarding gradation of sports certificates. He clarified that the objective was to give preference to “A” category over “B” category, even if the marks obtained by the “A” category sportsmen was lower than those of “B” category sportsmen. He stated that if this were not done, the very objective of gradation would be defeated, and international level sportspersons would be clubbed with those who had represented only at the district level. He also clarified that even within the same category of sports certificates, preference had to be given to winners and runners up etc., and the policy instructions were comprehensive code in this regard. Only when the tie was not broken on the basis of these comprehensive sports gradation guidelines, the University/colleges take recourse to the marks/ rank in the entrance exam to break the tie.

The policy of the Sports Department which already has the approval of the Government, was found to be fair just and reasonable and it was, accordingly, decided that action may be taken exactly in accordance with the **Punjab Government, Department of Sports and Youth Services, letter No.47/26/83-5Edu/2036, dated 10thDecember, 1997**. It was also decided that a copy of these instructions may be appended to and circulated along with the minutes of this meeting.

B. Disabled Persons:

The Principal Secretary Social Security explained that unlike in case sportspersons, no preferential treatment could be given to a person with higher percentage disability. She explained that a person was certified to be handicapped, provided his disability was 40% or more. As such, she proposed that all the handicapped persons having disability of 40% or more, in the respective sub-category (i.e. blind, deaf and dumb etc.), should be regarded as at par and their *inter se* gradation should be effected in accordance with the rank in the entrance examination.

The proposal of the Principal Secretary Social Security was agreed and approved unanimously.

C. Children/Widows of Defence Personnel/Ex-servicemen etc.:

This matter was discussed threadbare. It was felt that the children, wards and winners of gallantry awards should be given over-riding preference over children/widows of the ordinary Defence Personnel/Ex-Servicemen. It was also felt that the children/wards of the posthumous awardees of the particular award should get precedence over other awardees of the same category.

It was, accordingly, decided that in this category of reservation of 2%, the following would be the priority, each higher sub-category being preferred to the exclusion of the lower ones:-

- (1) Gallantry awards winners in the following order: Param Vir Chakra (PVC), Ashok Chakra(AC), Sarvottam Yudh Seva Medal (SYSM), Maha Vir Chakra (MVC), Kirti Chakra (KC), Uttam Yudh Seva Medal (UYSM), Vir Chakra (VrC), Shaurya Chakra (SC), Yudh Seva Medal (YSM), Sena/ Nau Sena/ Vayu Sena Medal (gallantry only), Mention-in Despatches.
- (2) For the same medal/awards the children/wards of the posthumous awardees, would get preference as compared to those of other awardees of the same category.
- (3) Children/ wards of defence personnel killed or disabled to the extent of 50% or more “**in action**”, including cases of Home Guards
- (4) Thereafter, children/widows of Serving Defence Personnel/Ex-Servicemen would be considered. However, the children/widows of personnel getting distinguished service awards such as PVSM, AVSM, VSM and Sena Medal/ Nau Sena medal and Vayu Sena Medal (distinguished service) would get over-riding priority in this sub-category, in the

said order. Here also, the children/wards of the posthumous awardees would get preference over the children/wards of the normal awardees of the same category.

- (5) If there is more than one claimant within the same category/sub category as enumerated above, the tie is then to be broken with the assistance of the rank/marks in the entrance test.

In any case, it was decided that the higher sub-categories would be preferred, in exclusion to the lower categories as arranged above even when the marks obtained in the entrance test of a candidate of the former category is less than those obtained by a candidate of the lower category. The above proposal was also, accordingly, approved as such.

D. Children/Widows of Police/Para Military Forces:

This item was discussed threadbare. It was felt that the winners of President's Medal for Gallantry and the Police medal for Gallantry by the President need to be given over-riding preference. Similarly, those killed or disabled in action should be given such preference. Accordingly, the special categorization/precedence in this category was adopted as under: Children/wards of officers and jawans of Punjab Police, PAP and para-military forces who are:

- (a) (1) Winners of President's Police Medal for Gallantry, including posthumous awardees.
(2) Winners of the Police Medal for Gallantry, conferred by, the President of India, including posthumous awardees.
(3) Killed or disabled to the extent of 50% or more "in action", including cases of Home Guards.
- (b) (1) Children and wards for serving para-military personnel and ex-para-military personnel.
(2) Remaining categories, already mentioned in the policy, if any.

In any case, it was decided that the higher sub-categories would be preferred, in exclusion to the lower categories as arranged above even when the marks obtained in the entrance test of a candidate of the former category is less than those obtained by a candidate of the lower category. The above proposal was also, accordingly, approved as such.

It was clarified that the children/wards of the serving or retired Punjab Police Personnel are not entitled to any reservation under this category. It was also clarified that cases of S.P.O.s, killed and disabled in action, would not be considered in this category but rather in the next following category relating to terrorist-affected/ riot-affected families.

E. Riot-affected/ terrorist-affected families:

The matter was discussed threadbare. It was felt that the cases where the bread-winners of a family had died / been disabled to an extent of 100%, should get over-riding precedence. As such, the following categorization was decided to be adopted. Children/wards of persons:

- (1) persons killed in 1984 riots/killed as a result of terrorist violence or killed by the security forces acting in aid of civil authority, including innocent civilians and Army Deserters as well as those of these categories who have been disabled physically to the extent of 100%, in accordance with the policy already in place.
(2) Persons of the above categories who were disabled to an extent less than 100%.
(3) All other categories mentioned in the existing policy under this head.

In any case, the higher sub-categories would be preferred, in exclusion to the lower categories as arranged above even when the marks obtained in the entrance test of a candidate of the former category is less than those obtained by a candidate of the lower category. The above proposal was also, accordingly, approved as such.

F. Children/Grand Children of Freedom Fighters:

The Principal Secretary Freedom Fighters stated that all Freedom Fighters, "Tamra Patra" holders would be regarded at par. It was accordingly decided that relative gradation within the category may be decided in accordance with the rank/marks in the Entrance Test.

Any other item with the permission of the Chair:

- (1) The Director Colleges, P.T.U. requested that it would be appropriate if a dead-line was adopted for the date of issue of the certificate in respect of these categories, since the candidates continue to submit certificates right up to the very day of the counseling. It was, accordingly, decided that **only** certificates issued up to the last date of submission of applications forms for the CET to PTU **and** annexed with the application forms would be considered. This decision should be given wide publicity and also included in the prospectus-cum- information brochure to be issued by the PTU.
- (2) The Director, Colleges, PTU suggested that it would be appropriate that the relative and *inter se* gradation of the candidates in respect of categories discussed above should be effected at the level of the state headquarter. This proposal was approved and it was also decided that this would be done by a Committee headed by the Secretary Technical Education, having the following other members:
 - a) Director, Technical Education (DTE), Punjab (Convenor);
 - b) Director/ Additional Secretary/ Joint Secretary of the concerned Department;
 - c) Representative of the PTU.

The P.T.U. shall send the particulars of these categories to the DTE after the last date of the receipt of application and also send the marks obtained/ rank obtained by such candidates after declaration of the result. The above committee, after verification and personal counseling, shall send the necessary order of gradation, category-wise to PTU, which shall effect the subsequent counseling / admission in accordance with this order.

The meeting ended with a vote of thanks to the chair.

1. It has come to the notice of the University Grants Commission that Institutions and Universities including institutions Deemed to be Universities are admitting students to various programmes of studies long before the actual starting of the academic session; collecting full fee from the admitted students; and retaining their schools /institutions leaving certificate in original. The Institutions and universities are also reportedly confiscating the fee paid if a student fails to join by such dates.
2. The Commission is of the view that the Institutions / Universities, by way of retaining the certificate in original, force retention of admitted students which limit the opportunities for the candidates from exercising other options of joining other institutions of their choice. However, it would not be permissible for Institutions and Universities to retain the School / Institution Leaving Certificate, mark sheet, caste certificate and other documents in original.
3. The Ministry of Human Resource Development and University Grant Commission have considered the issue and decided that the Institutions and Universities, in the public interest, shall maintain a waiting list of students / candidates. In the event of a student / candidate withdrawing before the starting of course, the waitlisted candidates should be given admission against the vacant seat. The entire fee collected from the student, after a deduction of the processing fee of not more than Rs. 1000/- (one thousand only) shall be refunded and returned by the Institution / University to the student / candidate withdrawing from the programme. Should a student leave after joining the course and if the seat consequently falling vacant has been filled by another candidate by the last date of admission, the Institution must return the fee collected with proportionate deductions of monthly fee and proportionate hostel rent, where applicable.
4. The Universities / Institutions are requested to abide by the instructions issued by the UGC. The UGC shall on its own or on receipt of specific complaints from those affected, take all such steps as may be necessary to enforce these directions.

21. UNIVERSITY GRANTS COMMISSION NOTIFICATION Remittance and Refund of Fees and Other Student-centric Issues December 2016

1. Introduction:

One of the fundamentals of the Indian higher education system, even after the significant evolution of private sector in the domain, has remained its commitment to provide education without profit. The rationale behind this policy paradigm has been to protect the rights and entitlements of students whose financial conditions often pose a roadblock to their desire for quality higher education. For a country like India, it is but natural to promote “not-for-profit” paradigm in view of low per capita income and high poverty index. It has to be acknowledged that this apparently idealistic principle has worked to an appreciable extent in India. However, the considerable number of complaints, grievances, court cases and other references received by UGC on various coercive and shady dealings carried out by HEIs reflect that profiteering motivations still drive the operation of quite a few institutions in India. The reason behind the proliferation of such malpractices can be many, including absence of an effective and robust policy regime. However, what is most disturbing about the dismal scenario is that students are at the receiving end of this malaise. The Commission has earlier notified University Grants Commission (Grievance Redressal) Regulations, 2012 on redressal of multifarious grievances of students. But given the sheer volume of the complaints regarding non-refund of fees and retention of original certificates by HEIs and other related issues, the Commission has felt the need to notify elaborate instructions so as to curb such malpractices. Considering the seriousness of the issue, the UGC has decided to issue appropriate instructions in the form of this notification to all universities and other higher educational institutions under the purview of UGC.

2. Objectives:

To prohibit coercive and profiteering institutional practices in the matters related to verification of certificates and testimonials at the time of admission, remittance of fees and refund thereof in case of cancellation of admission and other such student-centric issues. In exercise of powers conferred by Section 12 (d) read with Section 12(j) of the UGC Act, 1956, the UGC issues this notification for adoption of standard operating procedures in the matters related to verification of certificates and testimonials at the time of admission, remittance of fees and refund thereof in case of cancellation of admission and other such student-centric issues with an aim to curb coercive and profiteering institutional practices that directly and indirectly constrain the fundamental rights of students to explore multiple opportunities and choices in terms of their academic career.

3. Application and Enforcement:

- 3.1 The instructions contained in this notification shall be in supersession to its earlier Public Notice dated 23.04.2007. It shall be applicable to Undergraduate, Postgraduate and Research Programs run by all statutory universities recognized by UGC under Section 2 (f) of UGC Act, together with all colleges under their affiliating domain and institutions declared as deemed to be universities under Section 3 of the UGC Act.
- 3.2 The instructions contained in this notification shall come into force with immediate effect and shall have regulatory force on extant as well as future grievances over issues and matters covered herein.
- 3.3 Universities shall amend their relevant statutes, rules, regulations etc. and bring them in line with the provisions contained herein.

4. Specific Instructions and Mandatory Actions for HEIs:

The Commission herewith lays down specific instructions and consequent mandatory

actions on the issues related to (1) verification and non-retention of students' academic and personal certificates and testimonials, (2) remittance of fees by students and refund thereof by the institution concerned in the event of the cancellation of admission by the student and (3) an effective grievance redressal mechanism to be installed by the affiliating university for quick and effective resolution of grievances in this regard;

4.1 Verification and Non-retention of Students' Academic and Personal Testimonials

- 4.1.1 No institution of higher education shall insist upon a student to submit the original academic and personal certificates and testimonials like mark-sheets, school leaving certificates and other such documents at the time of submitting admission form.
- 4.1.2 In line with instructions issued by Ministry of Personnel, Public Grievances & Pension, Department of Administrative Reforms, PG & Pension, the Commission has already written to HEIs about allowing self-attestation of documents such as mark sheets, birth certificate etc. by the applicant where there is a system of verification of the original certificates and testimonials at any stage before the finalization of the process of admission.
- 4.1.3 HEIs shall physically verify the originals at the time of admission of the student in his/her presence and return them immediately after satisfying themselves about their authenticity and veracity, keeping the attested copies for their record.
- 4.1.4 The self-attested testimonials of students shall be held valid and authentic by institution concerned and/or the affiliating university for all purposes and administrative requirements and should there be a need for physical verification at any time during the course of program of study, such verification shall be undertaken in the presence of the student and certificates and testimonials thus verified shall be returned immediately to the student.
- 4.1.5 Taking the certificates and testimonials into institutional custody under any circumstances or pretexts is strictly prohibited for it is a coercive tactic which can be misused for blackmailing students who wish to withdraw admission from the institute for better prospects or other compulsions.
- 4.1.6 In case of any suspicion over the authenticity or genuineness of the testimonials, the reference may be made to the university or the Board which issued certificates to the student and the admission be subjected to the authentication, but original certificates shall not be retained under any circumstances.

4.2 Remittance and Refund of Fees

- 4.2.1 No HEI shall make it mandatory for applicants to purchase the institutional prospectus any time during the course of the program of study. Purchasing prospectus shall be the personal choice of the student and he/she has all rights to decide against it in case he/she wishes to access the information from institutional website. As laid down in the Right to Information Act, 2005, and reiterated in the UGC Guidelines on Students' Entitlement, all HEIs shall disclose on their website and prospectus information like the status of the institution, its affiliation, accreditation rating, physical assets and amenities, course-wise sanctioned intake of students, details of faculty, membership of governing bodies and minutes of the meetings of bodies like Academic/Executive council, sources of income and the financial situation and any other information about its functioning necessary for a student to make a fully informed choice.
- 4.2.2 HEIs shall charge fees in advance only for the semester/year in which a student is to engage in academic activities. Collecting advance fees for entire program of study or for more than one semester/year in which a student is enrolled is strictly prohibited as it restricts the student from exercising other options of enrolment elsewhere. This enabling provision is in line with the UGC guidelines on Choice

Based Credit System (CBCS) and Model Curricula which are geared towards promoting a student's inter-institutional mobility.

- 4.2.3 If a student chooses to withdraw from the program of study in which he/she is enrolled, the institution concerned shall follow the following four-tier system for the refund of fees remitted by the student.

Sr. No.	Percentage of Refund of Aggregate fees*	Point of time when notice of withdrawal of admission is served to HEI
(1)	100%	15 days before the formally notified last date of admission
(2)	80%	Not more than 15 days after the formally notified last date of admission
(3)	50%	More than 15 days but less than 30 days after formally-notified last date of admission
(4)	00%	More than 30 days after formally notified last date of admission

**(Inclusive of course fees and non-tuition fees but exclusive of caution money and security deposit)*

In case of (1) in the table above, the HEI concerned shall deduct an amount not more than 10% of the aggregate fees as processing charges from the refundable amount.

- 4.2.4 Fees shall be refunded by all HEIs to an eligible student within fifteen days from the date of receiving a written application from him/her in this regard.

4.3 Constitution and Functions of Grievance Redressal Committee (GRC)

4.3.1 All universities shall mandatorily constitute a "Grievance Redressal Committee" (GRC) mandated by UGC (Grievance Redressal) Regulations 2012 to address and effectively resolve complaints, representations and grievances related to any of the issues mentioned in this notification, among others articulated in the regulations. The GRC shall do all it takes to ensure that its departments and affiliated colleges unflinchingly comply with all the instructions articulated in this notification.

4.3.2 The GRC shall follow procedures outlined in UGC (Grievance Redressal) Regulations 2012 for resolution of the students' grievances in above matters.

5. Punitive Actions by Commission against defaulting HEIs

- 5.1 Any act of retention of original certificate or non-refund of fee by any college shall be deemed to have been committed by the affiliating university which shall only be liable for punitive action by the UGC.
- 5.2 On receiving any complaint from students or aggrieved person on any of the issues outlined in this notification, the Commission shall forward it to the GRC of the university concerned for feedback.
- 5.3 The GRC of the university concerned shall furnish to Commission the "Action Taken Report" and/or status of the grievance resolution within a period of twenty days from the date of receipt of the Commission's missive.
- 5.4 On basis of the feedback of the GRC, if the Commission feels the defaulting HEI is willfully contravening the provisions contained in this Notification, it shall take all such punitive actions as notified in Regulation 9 of UGC (Grievance Redressal) Regulations 2012 against the defaulting HEIs.
- 5.5 Additionally, the Commission shall write to accreditation agencies about the misconduct and malpractices of the erring HEI with the request to take all such actions as deemed fit by them to ensure compliance.

TRU Bachelor of Computing Science Degree Admission Requirements

To be considered for admission to BCS, students must have completed:

- BC Pre-calculus 12 or Foundations of Math 12 with a minimum of C+ within the last two years; or
- Equivalent;

AND

- BC English 12/English 12 First Peoples with a minimum of 73%; or

Students applying for admission to the degree program are required to provide original documentation showing their full post-secondary academic history.

English Language Proficiency Requirements for Academic Study

Students are required to meet minimum English language proficiency requirements for direct entry into academic programs. English language proficiency requirements are subject to change.

Students may meet this condition by either providing an acceptable English language proficiency test score (TOEFL, IELTS, etc.) or by achieving an acceptable score on the TRU English Placement Test (EPT). Students are strongly encouraged to complete an acceptable test prior to arriving to improve course selection options, but this is not mandatory.

In order to verify all English language proficiency test scores, students must have an official copy sent directly to TRU Admissions from the testing agency. Copies of test scores, provided to the ESAL department upon arrival, will not be accepted.

Students who do not achieve the results for direct entry into academic programs will be placed in the appropriate level of English language study as indicated below.

*A student must meet or exceed the required level on all aspects to be at any specific level (e.g. Direct entry students must have 88+ and all sections at least 20). When sub-scores are used, a good mark in one area will not compensate for a poor mark in another. If a student does not meet the requirements for direct entry, it is recommended that they write the TRU placement test to determine the appropriate placement for them in ESAL.

Common European Framework of Reference for Languages - TRU will consider the CEF C1 and C2 for direct entry into academic programs. We will also consider CEF B2 and B2+ as equivalent to the IELTS 5.0+ for placement purposes.

Cambridge ESOL - TRU will consider the CAE (Certificate in Advanced English) and CPE (Certificate of Proficiency in English) for direct entry into academic programs. The FCE (First Certificate in English) will be considered at the IELTS 5.0+ for placement purposes.

TRU Bachelor of Computing Science Degree Requirements

Degree requirements are subject to change. The current degree requirements for completion of the TRU Program are:

- The student must have completed at least 120 credits.
- At least 25% of these (30 credits) must be obtained at TRU.

Students who proceed without approval may find that a course does not meet requirements and may be subject to transfer credit assessment fees.

Co-operative Education:

Transfer students are eligible for Co-operative Education after 1 year of study at TRU Campus.
