MAHARAJA RANJIT SINGH PUNJAB TECHNICAL UNIVERSITY, BATHINDA

Overview Of FDP

DBFGOI is going to organize a six days online Faculty Development Programme on "Innovative approaches in Management & Technical Teaching" in collaboration with AICTE, New Delhi and MRSPTU, Bathinda. This topic is selected keeping in view the current situation.

The objective of this programme is honing the teaching and Research skills of the faculty members of Management & Technical Institutions. It is an endeavour intended for teachers working in various professional institutions. The major focus of the FDP is to promote the innovative teaching skills in the faculty. Ultimately the faculty members will be developed in the new pedagogy and emerging areas of management, technology and research.

Topics to be covered

This FDP will focus on effective teaching and learning, it will foster innovative learning skills in the faculty of management and technical institutions. These skills will mainly focus on motivation of the students and developing the positive attitude. The various topics to be covered are:-

- Need for motivation and leadership in student.
- Development of Positive Attitude in students.
- Activity and Project-based teaching.

- Teaching through Social Media .
- Education and Digitalization.
- Research Methodology.
- Team Bulding.

Resource Persons

Our Resource Persons are renowned academicians from highly reputed Technical and Management Universities and Institutions across the nation. They have more than two decades of experience in teaching and research.

Schedule

The programme will be held during **March 1st to March 6th 2021.**

Mode of Delivery

Resource Persons will deliver the online lectures and hands-on sessions through, Google-Meet platform.
