The following two type of cases were presented to the committee:

- Non-compounded advance increments (Three/Two/One) on acquiring Ph.D/M.Phil/M.Tech. and other equivalent qualifications, while in service.
 - Completion of Ph.D within seven years for Assistant Professors (direct/CAS) re-designated as Associate Professors on or after 01.01.2006.
- (A) Regarding non-compounded advance increments (Three/Two/One) on acquiring Ph.D/M.Phil/M.Tech and other equivalent qualifications, while in service on or after 01.01.2006.**

Summary of case:

The non-compounded advance increments were given vide AICTE Notification No. F.No.37-3/Legal/2010 dated 05th March, 2010 and Punjab Govt. Notification No. 2/259/09-4TE2/2581 dated 18th June, 2010.

Further AICTE vide its Notification No. F.No. 27/RIFD/Pay Scale/01/2013-14 dated 4th January, 2016 at Sr. No. 25 has clarified as below:

- That there shall be no advance increments for acquiring M.Tech/M.Phil or Ph.D Degree to those who are already working as regular faculty with lower qualification and where such higher basic qualifications are/were essential for the post.
- These non-compounded advance increments shall be granted in PB-3(Rs.15600-39100) only wherever applicable in AICTE regulations of 2010. The advance increments for those who acquired Ph.D/M.Phil/M.Tech and other equivalent qualifications, while in service are not allowed in the PB-4 (37400-67000).

W. Khan *J.S.* *J.P.S.* *J.S.* *M.S.*

Recommendation

- (i) The committee has recommended immediate discontinuation of award of non compounded Ph.D/M.Tech/M.Phil increments on acquiring such qualification while in service by the regular faculty where such higher qualifications were essential for the post.
- (ii) Regarding Non compounded Ph.D increments in PB-4 (37400-67000), the committee has recommended not to roll back the non compounded Ph.D/M.Tech/M.Phil increments already granted to the faculty in view of the decision made by MHRD for NITs (copy at annexure-'A'). The above recommendations are for the consideration of the Finance Committee as desired.

(B) Regarding completion of Ph.D within seven years for Assistant Professors (direct/CAS) re-designated as Associate Professors on or after 01.01.2006.

Summary of case:

AICTE Notification No. F.No.37-3/Legal/2010 dated 05th March, 2010 and Punjab govt. Notification No. 2/259/09-4TE2/2581 dated 18th June, 2010 states that

- (a) The incumbents Assistant Professor and Incumbent Lecturers (Selection Grade) who have completed three years in the pre-revised pay scale of Rs. 12000-18300 on 1.1.2006 shall be placed in Pay Band of Rs. 37400-67000 with AGP Pay of Rs. 9000 and shall be re-designated as Associate Professor.
- (b) Incumbent Assistant Professor and Incumbent Lecturers (Selection Grade) who had not completed three years in the pay scale of Rs. 12000-18300 on 1.1.2006 shall be placed at the appropriate stage in the Pay Band of Rs. 15600-18300 on with AGP of Rs. 8000 till they complete 3 years of service in the grade of Lecturer (Selection Grade), and the thereafter shall be placed in the higher Pay Band of Rs. 37400-67000 and accordingly re-designated as Associate Professor.

However, as per AICTE Notification No. F.No. 27/RIFD/Pay Scale/01/2013-14 dated 4th January, 2016, it has been clarified at Sr. No. 53 that Assistant Professor (Re-designated as Associate Professor w.e.f. 1.1.2006), who are not able to complete the Ph.D in seven years from the date of Joining (Direct/CAS) will be required to complete Ph.D within 7 years from the date of Joining, failing which increments shall be stopped until Ph.D is earned.

Recommendations

In view of the above, all the faculty members who were working as lecturer selection grade/Assistant Professor etc. prior to 01.01.2006 and subsequently placed in the new scale of Associate Professor (PB-4) and where there was no such requirement of Ph.D for promotion or placement in this scale, but without having earned Ph.D, they are not eligible to get any further promotion. Now as per the AICTE notification dated 04.01.2016, the completion of Ph.D. within seven years from the date of promotion/selection has been made mandatory for the Assistant Professor those have selected/promoted under this condition i.e. to complete the Ph.D. within seven years. The Committee is of the opinion that to maintain uniformity in the cadre and to promote research in the University and its constituent colleges, it is recommended to impose a condition of Ph.D, to be completed within seven years from now onward on all incumbent Associate Professors who have not done it so far.

The meeting ended with thanks to the chair.

The GATE 2016 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this scorecard in GATE 2016

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2016 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2016 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Ref. No. 12876

Dated 16/3/17

The Chairman,
All India Council for Technical Education (AICTE),
Nelson Mandela Marg, Vasant Kunj,
New Delhi-110067,

Subject: Clarification regarding Scholarship of GATE qualified students admitted in M.Tech Course in Academic Session 2016-17

Respected Sir,

Our institute has admitted five GATE qualified students in various M.Tech Courses in the Academic Session 2016-17. Out of these five students, two students are admitted in M.Tech (Construction Technology & Management Engg.) and one student is admitted in M.Tech (Mechanical Engg.). These Courses are already approved by AICTE for our College during previous Years. The other two students are admitted in M.Tech Course (Structure & Foundation Engg.) which is a new course and yet not approved by AICTE for GZSCCET, Bathinda.

When our college applied for scholarship for these GATE qualified students through college AICTE portal, then student data of three students admitted in M.Tech (Construction Technology & Management Engg.) and M.Tech (Mechanical Engg.) could be filled and uploaded, but student data of two students admitted in M.Tech (Structure & Foundation Engg.) could not be filled as this branch is not available in dropdown menu of our college AICTE portal. E-mails at egovernance@aicte-india.org of AICTE were sent on 12.10.2016, 20.10.2016, 24.10.16, 25.10.16, 26.10.16, 09.11.16, with a request to register M.Tech (Structure & Foudation Engg.) Course on our College AICTE portal or register our these two students for GATE scholoarship. In reponse to our above E-mails, our college was asked by AICTE on 24.10.2016 to provide its permanent ID and same was sent through E-mail by our college on 25.10.2016 and again on 26.10.2016. After this, neither AICTE registered this branch in our college AICTE portal nor gave any reply.

Our institute is a Constituent College of Maharaja Ranjit Singh Punjab Technical University, Bathinda, established by Govt. of Punjab vide act no. 5 of 2015 & it is a State University. Please guide us how the students data can be uploaded on AICTE portal for GATE qualified students whose branch, such as, M.Tech (Structure & Foudation Engg.) is not registered on our college AICTE portal.

Please inform if there is any separate AICTE portal for Universies and its Constituent Colleges, where our University MRSPTU, Bathinda can upload students data to avail GATE scholarships.

3. The Chairmen of IMCs.

Sub: Remuneration to Contract Instructors Under the scheme "Upgradation of 1396 government ITIs through PPP" - Regarding

Sir,

A reference has been received from one of the chairmen of IMC informing that Govt. Of Tamil Nadu has fixed Rs. 20,000/- as monthly emolument for instructional staff hired on contract basis and additional burden of Rs. 6000/- per month will be on IMC because National Steering Committee has fixed emolument of Rs. 14,000/- per month for contractual instructional staff. In this regard, it is informed that hiring of instructional staff on contract basis have been allowed against the vacant post in ITIs covered under "Upgradation of 1396 scheme" so that training in the ITIs do not hamper and furthermore, emolument has been fixed at the rate of Rs. 14,000/- to attract good qualified persons because so many States were giving very less emoluments. As States were facing problem in paying honorarium to the contractual staff, it has been allowed vide guidelines DGET-35/1396/Guidelines/2014-NIC dated 21-7-2014 to pay emolument to the instructional staff from interest accrued. Hiring of instructional staff on contractual basis is a short term arrangement and sincere efforts should be made to fill the vacant posts of Instructors on regular basis.

2. In view of the above, it is suggested that amount over Rs. 14,000/- shall be compensated by the State Governments from their own funds and ensure that emolument of Rs. 14,000/- is paid to the contractual instructional staff by the IMC from the interest accrued.

Yours faithfully,

(Alok Kumar)

Director, General of Employment & Training/Joint Secretary
