FROM THE DESK OF VICE-CHANCELLOR

Prof. (Dr.) Buta Singh Sidhu
Vice Chancellor

MRSPTU is committed to provide exceptionally congenial academic environment for nurturing the students to blossom as diversified human assets. The University grooms the personality of each student through well-defined choice based academic course curriculum, well-equipped library, various inter/intra University activities like sports, technical, cultural, literary and extracurricular. The students are encouraged to participate regularly in these activities at department, college, university, inter university and national level. Our 15000+ alumni are working in more than 80 countries in six continents, in almost every public sector organization, may it be administrative, technical, start-ups, entrepreneurship, judiciary, semi government, public limited, private companies or else at state, national and international level are handling wide range of positions making their families and their alma mater proud.

I feel privileged to invite the corporate officials for placements, internships, industrial visits, expert talks, entrepreneurship skill development for all our students, resource sharing for research activities and Industry Institute collaboration in any form.

With best wishes
