Circular

Subject: Project Proposals invited under SERB POWER (Promoting Opportunities for Women in Exploratory Research)

Greetings from Grant Cell!

SERB POWER (Promoting Opportunities for Women in Exploratory Research)

SERB - POWER (Promoting Opportunities for Women in Exploratory Research) program is formulated to mitigate gender disparity in science and engineering research funding in various S&T programs in Indian academic institutions and R&D Laboratories. SERB - POWER is specially designed to provide structured effort toward enhanced diversity in research to ensure equal access and weighted opportunities for Indian women scientists engaged in research and development activities.

Mechanisms of Support

SERB would endeavour to create a funding framework for empowering women researchers in Science, Technology and Innovation (STI) under the following two categories:

SERB - POWER Research Grants

SERB - POWER Fellowship

Please visit <https://www.serbonline.in/SERB/serbPowerInstructions?HomePage=New>

for further information on eligibility and the application process.

Shall appreciate it if you could kindly give it wide publicity with your female faculty members.

Looking forward to a response from your department/institution.

For any query, please contact.

Dr Amit Bhatia

Associate Dean
