**Subject:** Research Grant Targets 2023

Greetings from Grant Cell!

Let's start New Year with New targets and initiatives.

Our Honorable Vice Chancellor Sir has focus to bring paradigm shift in the quality of academics as well as research initiative at institute and university level. Under this vision, collaborative contribution from each department and institute is must.

To provide impetus and direction to your endeavour, we need to set the targets.

Hence, a meeting of all the Heads, Deans and Directors has been planned for coming week.

For this, you have to make a presentation (approx. 15 min) regarding the current status and future targets.

A draft ppt has been attached for your reference.

For any query please contact.
